Gospel Conversations and Full Spectrum Discipleship

When Jesus gave the Great Commission to His disciples, He did not say "Go therefore and evangelize all nations", but rather "Go therefore and make disciples of all nations" (Matthew 28:19). Through His wise use of words, Jesus is stating that while discipleship begins with evangelism, it does not end with the conversion of the unbeliever. Rather it continues on with the equipping of the new believer, until they begin to disciple others.

The below modification of the Engel Scale can assist us as we navigate Gospel conversations with unbelievers as we seek appropriate on ramps, lane changes, and off ramps in conversations.
